HEARING AND DOING

Each week this section will provide next steps for going deeper with the sermon material, as well as preparing for discussion in your Grow Group. Bring this sheet with you to your group meeting.

1. Read the following three passages, then write the common theme found in them all:
   Psalm 50:10-12; 1 Chronicles 29:11-12; Psalm 24:1

2. Read Deuteronomy 8:11-18. There is a great danger that comes with money and wealth. What is it?

3. Read Matthew 19:23-26. Describe the disciples’ reaction to this statement.

4. Read Matthew 25:14-30

   A talent was equal to about 10,000 times a day’s wage. Take your annual salary (or that of your spouse), divide it by 260 days to get your daily wage, then multiply that by 10,000.

   This is a big sum of money. Why do you think the two servants used their master’s money well, and the third did not?

   The three servants were “stewards” of the master’s money. Write your best definition of “steward”.

5. When it comes to handling God’s money, rate yourself on this continuum:

   1 …………………………………………………5 …………………………………………………10

   owner                                                                                       steward
